Harpanahalli was a centre for the Government Technical Examinations till November 1926. The candidates of that centre brought up only Shorthand and Typewriting and the number that appeared during 1924-26 was as follows:-

1924 -	April	10
	November	20
1925 -	April	10
	November	15
1926 -	April	13.

In November 1926, certain small centres which presented only a few candidates in certain subjects were abolished and Harpanahalli was one of them. This was in accordance with the principle governing the selection of centres (vide Arts. 2 and 4 of the Notification ~~quoted below.~~) The cost involved in holding the examinations in too many centres is also considerable. In general, a centre is assigned to each district, but if in a particular district there are many places of commercial importance from which a large number of candidates appear, e.g., Cocanada, Negapatam, additional centres are opened. One unsigned petition has been received and no action has been taken on it.

Arts 4 states that the Commr shall select the centres.)

It is submitted that the following answers may be suggested:-

(a) Yes;

(b) Yes;

(c) An unsigned petition with no name or address has been received.

(d) As the number of candidates is small and the cost involved considerable, it is not proposed to make Harpanahalli again a centre.
